

GOOD MUSIC CHANGES EVERYTHING.

House DJs. Warm, groove-led sets for cafés, bars, parties and intimate venues.

CAFE HAUS.

OFFICIAL BIO

Born from a shared love of coffee and records, Cafe Haus has spent the past three years hosting intimate parties in cafés and other carefully chosen spaces. The focus is simple: warm, groove-led music, considered selections and a close connection between the people, the room and the records.

SHORT BIO

CAFE HAUS is a Manchester house DJ project born from a shared love of coffee and records. For the past three years, Cafe Haus has hosted intimate parties in cafés and other carefully chosen spaces, with warm, groove-led music and a close connection between people, room and records.
